CONTRACT TERMS AND CONDITIONS OF UNIFORM HOUSEHOLD GOODS BILL OF LADING

This contract is subject to all rules, regulations, rates, and charges in its Tariff on file with the South Carolina Public Service Commission (PSC) including, but not limited to, the following terms and conditions:

SECTION 1: The carrier shall be liable for physical loss of or damage to any articles from external cause while being carried or held in storage-in-transit EXCEPT loss, damage, or delay caused by or resulting:

- (a) From an act, omission, or order of shipper;
- (b) From defect or inherent vice of the article, including susceptibility to damage because of atmospheric conditions such as temperature and humidity or changes therein;
- (c) From (1) hostile or warlike action in time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack (A) by any government or sovereign power, or by any authority maintaining or using military, naval or air forces; or (B) by military, naval or air forces; or (C) by an agent of any government, power, authority or forces; (2) any weapon of war employing atomic fission or radioactive force whether in time of peace or war; (3) insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating, or defending against such an occurrence; (4) seizure or destruction wider quarantine or customs regulations; (5) confiscation by order of any government or public authority; or (6) risks of contraband or illegal transportation or trade;
- (d) From strikes, lockouts, labor disturbances, riots, civil commotions, or the acts of any person or persons taking part in any such occurrence or disorder; and
- (e) From Acts of God.

SUBJECT, in addition to the foregoing, the following limitations apply on the carrier's liability:

The carrier's maximum liability shall be one of the following:

- (1) The actual loss or damage not exceeding sixty (60) cents per pound of the weight of any lost or damaged article when the shipper has released the shipment to carrier, in writing, with liability limited to sixty (60) cents per pound per article; or
- (2) Depreciated Replacement value of the lost or damaged item beyond repair provided that the shipper elects such valuation coverage and agrees to pay applicable rates or the option of satisfactory repairs.

FURTHER, a shipper's failure to notify the carrier in writing that an article having a value that exceeds \$2,000 or \$100 per pound will be included in the shipment will restrict the carrier's maximum liability to \$100 per pound for each pound of any lost or damaged article (based on actual article weight), not to exceed the declared value of the entire shipment.

SECTION 2. The carrier shall not be liable for delay caused by highway obstruction, or faulty or impassable highways, or lack of capacity of any highway, bridge or ferry, or caused by breakdown or mechanical defect of vehicles or equipment, or from any cause other than negligence of the carrier; nor shall the carrier be bound to transport by any particular schedule, means, vehicle, or otherwise than with reasonable dispatch. Every carrier shall have the right in case of physical necessity to forward said property by any carrier or route between the point of shipment and the point of destination.

SECTION 3. Shipper's or consignor's and/or consignee's liability shall include the following:

- (a) The shipper (individual or commercial) and consignor upon tender of the shipment to carrier, and the consignee, upon acceptance of delivery of shipment from carrier, shall be liable, jointly and severally, for all unpaid charges payable on account of a shipment in accordance with applicable tariffs including, but not limited to sums advanced or disbursed by a carrier on account of such shipment. The extension of credit to either shipper or consignee for such unpaid charges shall not thereby discharge the obligation of the other party to pay such charges in the event the party to whom credit has been extended shall fail to pay such charges.
- (b) Shipper and/or consignor acknowledge that no explosives and or dangerous articles or goods shall be contained in shipment. However, shipper and/or consignee shall indemnify carrier against any loss or damage caused by the negligent or intentional inclusion of explosives or dangerous goods therein.

SECTION 4. If for any reason other than the fault of carrier, delivery cannot be made at address shown on the face hereof, or at any changed address of which carrier has been notified, carrier, at its option, may cause articles contained in shipment to be stored in a warehouse selected by it at the point of delivery or at other available points, and were held without liability on the part of the carrier, at the cost of the owner, and subject to a lien for all accrued tariff and other lawful charges.

SECTION 5. If shipment is refused by consignee at destination, or if shipper, consignee or owner of property fails to receive or claim it within fifteen (15) days after written notice by United States mail addressed to shipper and consignee at post office addresses shown on face hereof, or if shipper fails or refuses to pay applicable charges in accordance with carrier's applicable tariff, carrier may sell the property at its option, either (a) upon notice in the manner authorized by law, or (b) at public auction to highest bidder for cash at a public sale to be held at a time and place named by carrier, thirty (30) days' notice of which sale shall have been given in writing to shipper and consignee, and there shall have been published at least once a week for two consecutive weeks in a newspaper of general circulation at or near the place of sale, a notice thereof containing a description of the property as described in the bill of lading, and the names of the consignor and consignee. The proceeds of any sale shall be applied toward payment of lawful charges applicable to shipment and toward expenses of notice, advertising and sale, and of storing caring for and maintaining property prior to sale, and the balance, if any, shall be paid to owner of property; PROVIDED that any perishable articles contained in said shipment may be sold at public or private sale without such notices, if, in the opinion of carrier, such action is necessary to prevent deterioration or further deterioration.

SECTION 6. As a condition precedent to recovery, a claim for any loss or damage, injury or delay, must be filed in writing with carrier within nine (9) months after delivery to consignee as shown on face hereof, or in case of failure to make delivery, then within nine (9) months after a reasonable time for delivery has elapsed; and suit must be instituted against carrier within two (2) years and one (1) day from the date when notice in writing is given by carrier to the claimant that carrier has disallowed the claim or any part or parts thereof specified in the notice. Where a claim is not filed or suit is not instituted thereon in accordance with the foregoing provisions, carrier shall not be liable and such a claim will not be paid. **SUBJECT TO APPLICABLE LAW, ANY CLAIM OR DISPUTE BETWEEN YOU AND ALL MY SONS OF COLUMBIA LLC ("CARRIER") ARISING FROM OR IN CONNECTION WITH THE TRANSPORTATION OF YOUR GOODS (A "DISPUTE") IN SOUTH CAROLINA INTRASTATE COMMERCE WHETHER UNDER FEDERAL, STATE, OR LOCAL LAW, INCLUDING ANY VIOLATION OF ANY APPLICABLE LAW OR REGULATION, SHALL BE RESOLVED BY MANDATORY ARBITRATION IN DALLAS COUNTY, TEXAS IN ACCORDANCE WITH THE THEN EFFECTIVE ADMINISTRATIVE RULES FOR ARBITRATION OF THE TRANSPORTATION ADR COUNCIL (P.O. BOX 15122, LENEXA, KANSAS 66285-5122; 913-895-4615) AND THE FEDERAL ARBITRATION ACT (CH. 1 OF TITLE 9 OF THE U.S. CODE).**

NOTICE

LIMITATION OF LIABILITY ON READY TO ASSEMBLE FURNITURE MADE FROM PRESS BOARD, PARTICLE BOARD, AND ENGINEERED WOOD

Furniture manufactured from pressboard, particleboard, and/or engineered wood is designed to go into a box from the manufacturer, to the retailer, and then to the customer unassembled. It is not constructed to withstand the normal stress of a move as an assembled unit. Most is not designed with the extra wood structural pieces to adequately brace the unit for movement out of or into a residence, and may not withstand the normal truck vibration, even in air-ride trailers. Usually chips or dents are not repairable. Surface impressions can be made on the furniture when writing on a single piece of paper. Assembly instructions frequently suggest that connecting hardware pieces be glued in place. This does not significantly improve the structural integrity of the pieces and makes disassembly impossible without creating substantial, irreparable damage. ***When a shipper elects to ship an article as defined herein, and notwithstanding the language contained in this Notice, in no case shall the liability of the carrier exceed \$.60 per pound per article or \$50.00 per article, whichever is greater.***

☐ **Option 1** I/we choose to disassemble and reassemble all pressboard, particleboard, and /or engineered wood furniture prior to move. I/we assume all responsibility for damage to the pressboard, particleboard, and/or engineered wood furniture, which may occur during the disassembly of the furniture.

☐ **Option 2** I/we have engaged the services of another individual or company to disassemble all pressboard, particleboard, and /or engineered wood furniture prior to move. I/we assume all responsibility for damage, which may occur to the pressboard, particleboard, and/or engineered wood during the disassembly of the unit(s).

☐ **Option 3** I/we am/are tendering furniture constructed of pressboard, particleboard, and/or engineered wood fully assembled as part of our move. I/we understand that any claim for damage to the pressboard, particleboard, and /or engineered wood furniture may be denied due to the inherent vice, based on the fact that fully assembled all pressboard, particleboard, and /or engineered wood furniture is inherently susceptible to damage as outlined above.

SHIPPER, OWNER, OR CONSIGNEE MUST SELECT OPTION 1, 2, or 3.

SHIPPER DECLARATION OF VALUE

- IMPORTANT:

There are two (2) options available to cover loss and/or damages:
- OPTION 1:

Basic Value Protection: This lower level of value protection is provided at no additional cost. However, it only provides minimal protection that is considerably less than the average value of household goods. The carrier’s maximum liability shall be \$.60 per pound for the actual weight on any lost or damaged article or articles, if the shipment has been expressly released by the shipper to such value per article. Under this option, a claim for any article that may be lost, destroyed or damaged while in the custody of your mover will be settled based on the weight of the individual article multiplied by 60 cents. For example, damages to an item weighing 400 pounds would result in a maximum claim settlement of \$240. Basic Value Protection provides minimal protection, and it is possible that settlement of any claim under this level of valuation will not be satisfactory to you.
- OPTION 2:

Depreciated Value Protection (Full Value Protection): This optional premium coverage provides repair or replacement coverage based on current Depreciated Replacement value at the time of loss or damage, up to the dollar amount of valuation declared. The additional cost is based on the actual value declared as defined below. Carrier shall have the option of repairing and/or restoration of damaged items to their original condition or offering a dollar amount equivalent to the items depreciated value. **Declared value must be at least \$5,000.00.**

Premium for FVP:

 - \$25.00 per \$1,000 of valuation selected
(Example: \$5,000 in FVP = \$125.00 premium)

• **Deductible Paid upon claim: \$300** (will be subtracted from any settlement amount)

**** DECLARATION ****

Prior to the move, the shipper must select one of the options listed below. If the carrier fails to require the shipper to choose one of the liability options, the shipper will be considered to have chosen Option 1 (Basic Value Protection).
